

CLIENT: DALE YOUTH BOXING CLUB
SOLUTION: TARAFLEX SURFACE, PERFORMANCE, COMFORT

“ The finish was fantastic and the comments from various other trades on site were wonderful. This was a real logistical and physical challenge. ”

Before the devastating Grenfell Tower fire in June 2017, its first floor was home to the Dale Youth Boxing Club which was both a valued local resource and one of the best boxing clubs in the country.

The club has been credited with turning around the lives of many young people, as well as turning out Olympic gold medal winner James DeGale and world champion George Groves, together with nurturing 200 Amateur Boxing Association champions since it was founded 60 years ago.

The BBC's flagship renovation programme DIY SOS has, with the help of international flooring specialist Gerflor, rebuilt this community hub and boxing gym.

▀▀ If given the opportunity to influence the specification for similar works we would definitely encourage clients to choose Gerflor because the products are both aesthetically pleasing as well as great quality. ▀▀
